

the Extreme !!!!

I, Oscar Zepeda will be embarking an Extreme Style of Human Metamorphosis. What I mean by that is I will release all that no longer served me and going to let the Solar Winds of the Universe take me to where I need to go and meet the people that I need to meet for my transformation into the Divine Blended Being that the Infinite Divine Universe Wants Me to Become. This is my Journey for at least 1,111 Days...or Indefinitely !!!!

2013 Mid Illinois Bodybuilding & Figure Championships !!!!!!!

Been a while since I last been here... Haven't been online for a while !!! even FB !!!! I deactivated my FB !!! I like to keep it Old School !!!!! No Cell, No Beeper !!! No FB !!!! I noticed that we are Sooooo Distracted with our Cell Phones and FB !!!! I remember back in the day with Myspace ???? remember that deal ??? I was Hooked, it was my crack and I know myself a lot better from that Social Media Addiction.... I noticed I was spending Wayyyy To Much ON BS and Others people BS !!!!! I don't know why I started with Myspace when the title is 2013 Illinois Bodybuilding & Figure Champion Ships or Championships !!!! this week was listening some recordings of Joe Dispenza from "What the Bleep Do We Know".... his specialty is Life Transformation / Brain Extraction and Re-Invention / there are quite a bit of YouTube Videos of my man **Joe Dispenza** !!!! (dble clk on <----- Joe D) Re-Wiring My Brain !!! this is what I WANT & NEED !!!! While I was listening to Joe he really made me act, that we must KNOW What To Become !!! Who and what do you see in others that you want to become like. Not actually Being that person but the personality traits:

I got the following quote from Oprah's Master Class about Re-Inventing Yourself: **"The first law of life: Things change —and that includes us. We're all beings in process and we either evolve and grow, or waste time and energy trying to keep things the way they were. Masters see what's coming with clear eyes. They shed outdated roles and jump into new ones; as soon as they meet one challenge, they dream up another. That's how they stay fresh, energized.**

and now !!! I know I'm In the state of Becoming right now !!!! in a state of absolute evolution !!! we are living in an Infinite & Magical Universe !!! we think we know a lot, but, honestly I know that we as Infinite Divine Human Beings have Soooooo Much Power !!! and I know for myself !!! My Transformation My Metamorphosis !!!! We must know What We Want To Become !!!!! this was My Missing Link !!! I know in the past I was all talking about **"Transformation, Change, & Metamorphosis"** I know !!!! So, the remainder of this month and into the month of April !!! I'm going to write in detail on What Kind of Being I Want to Become !!!!!!! EVERYTHING !!!!! Mind, Body, Spirit, Family/Friends & My Passions... I know I have been neglecting friends & family !! I know, I'm not perfect and I absolutely admit it, I want to change.... I know with friends & family they hold you in a type of vibration that you want to change from, for me, being broke, not having a "Successful" Life and i'm fucking 40 !!!!! Yeah, that vibration I don't want anymore !!! So, thus I want to Re-Wire My Mind into Infinite Divine's Mind !!!!! the Absolute One Who Created All !!!! that is My Mind !!! and I know that my Body is Ready for It's Metamorphosis !!! thus me supporting Byron & Tami Hicks Owners of Jakked Hardcore Gym in Montgomery, IL and my Personal Trainer Ed Honn at Xsport Fitness in Downers Grove, IL they are Competing in the 2013 Mid Illinois Bodybuilding & Figure Championships in Ottawa, IL !!! this March 30, 2013 !!!! 1 Day !!!!!
