Even though the new collection of hard hitting hoodies has not been available for long, they are already getting a lot of attention from guys who are looking for well-made and durable hoodies that look great both in and outside of the gym. Each of the new styles comes in four different color options, and all feature a comeback graphic.

For example, the Pitbull Gym Pullover Hoodie for \$39.95 has contrast threading and a vintage "Pitbull Gym" print. Thanks to its tri-blend fabric that is comfortable and flexible, the hoodie is ideal for before, during or after a workout.
